# SEARCHING FOR TEEN LEADERS

## A LEADERSHIP RECOGNITION PROGRAM FOR TEENS GRADES 7-12

**SEARCHING FOR TEEN LEADERS** is a program that allows individuals to nominate outstanding teen leaders in grades 7-12 who inspire others with their leadership and make a positive difference in their schools, families, and communities.

The program is presented by Values-in-Action, a 23-year-old, Cleveland-based non-profit organization that empowers students and adults to build communities of kindness, caring and respect through programs that teach, promote, and provide skills and tools that allow people to make positive, values-based decisions every day. Through student workshops and seminars, Values-in-Action's Project Love school programming has trained over 170,000 teens and 3,000 educators in over 300 schools to lead with kindness and eliminate bullying and other negative behaviors in their schools.
