

Welcome to the Cardinal Local Schools Parent Portal!

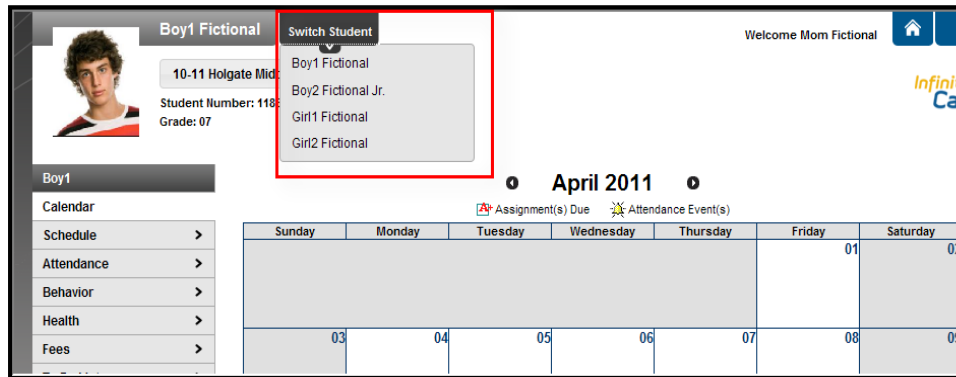

How do I navigate the Parent Portal?

The homepage displays navigational links on the left and on the top.

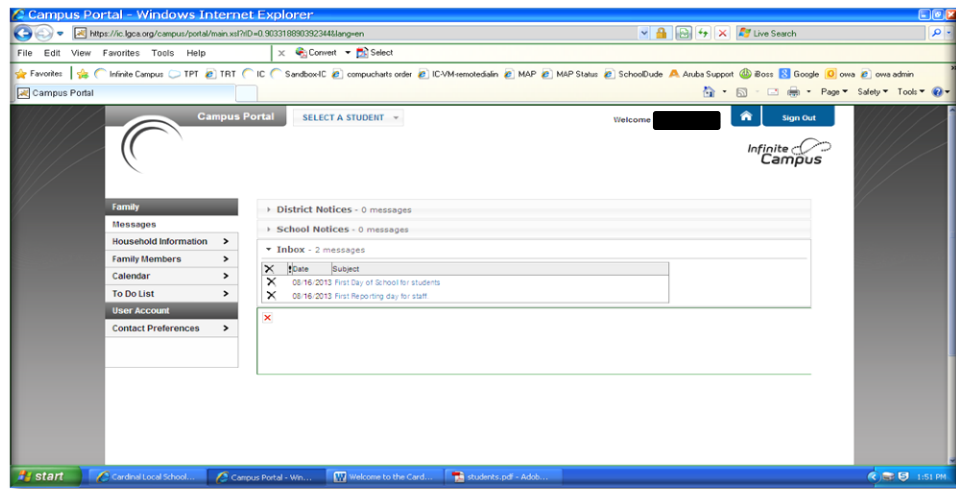

At the top is the **Switch Student** link:

This allows you to choose the student you wish to view information on. Links representing each student family member includes:

- Calendar (20XX – 20XX)
- Schedule
- Attendance
- Reports

At the left is the **Family** and **User Account** links.

Family link:

Messages displays all important messages

Household Information displays demographic information about the household phone number and address.

Family Members displays demographic information about the household and relationships of its members. This allows you to request an update of contact information.

Calendar is a combined family calendar displaying a monthly view of **assignments** and **attendance** events.

To do list displays any upcoming tasks.

User Account link:

Contact Preferences This allows you to update your contact information and change your password. **Please note that this is where you can specify where you would get contacted via the Cardinal School District automated call system.**
