Dear CHS Families,

As you pull into Cardinal High School, you may see materials, equipment or our maintenance staff currently working alongside local companies to complete a partial roof replacement.

This letter is to ensure you that these entities are communicating with the school district on a regular basis. The teams have developed a plan for ensuring the safety of all involved while also maintaining the focus of teaching and learning. The process of roof replacement has many stages and each has been considered for completion during the day, evening or weekend depending on the appropriateness of the specific work to be completed.

If you have any questions about this process, please call 632-0261 ext. 5002 to speak with Dr. Sabol, email jennifer.sabol@cardinalschools.org, or use Let's Talk on the school website, www.cardinalschools.org.

Thank you,

Dr. Jennifer Sabol
Principal
