COSI (The Center Of Science and Industry) is coming to Cardinal!! This is a fun filled, scientific educational program in which students are able to join, interact and learn about all things Science! This year—CHEMISTRY!— and we need your HELP!

Volunteers are being asked to come in and help our Huskie Pups engage in this awesome experience. Volunteer forms were sent home this week asking for help setting up Feb. 17th at 6pm, helping with stations (don't worry, guidance is on site) Feb. 18th and 19th from 8:30am to 3:00pm (you pick your own hours) and tear down. Please fill out the forms and send them in with your child's teacher OR contact Michele Saunders or any of the Cardinal PTA to let them know if you can help.

Box Tops, Box Tops, Box Tops!!!

Keep sending in those Box Tops! Last day to turn them in is February, 25 2016. Please be sure to label them with your child's name and their teacher's name so that their class can WIN a class prize!!!

ALSO: if you are a parent and would like to volunteer to clip and count tops with us, your help is DEEPLY appreciated!!!
