At the end of the school day, students will be dismissed and must leave school property unless under the direct supervision of an adult. Students remaining in the building will be asked to leave, could be subject to disciplinary action, and are not the responsibility of the school. Students attending extracurricular activities, events or competitions, may not arrive more than 15 minutes prior to the event unless supervised by an adult.

Attendance and Tardy Information (Board Policy 5200):

Cardinal Schools Board Policy 5200 and Ohio law require regular attendance in school, pursuant to Ohio Revised Code section 3321.

If a student is absent from school, someone in the student's family must notify the school ([440.632.0261](tel:440.632.0261) Option #4) before 10:00 AM (*if we don't hear from you, you will hear from us*).

All absences/tardies are considered unexcused unless a phone call or a written notification from the parent/guardian is received in the office. The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session or during the attendance sessions to which s/he has been assigned. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence.

Legitimate excuses for absences/tardies are defined by Board Policy 5200.

Habitual Truancy:

- Absent 30 or more consecutive hours without a legitimate excuse
- Absent 42 or more hours in one month without a legitimate excuse
- Absent 72 or more hours in one year without a legitimate excuse

Excessive Absences:

Board Approved on 8.9.2017

- Absent 38 or more hours in one month with or without a legitimate excuse
- Absent 65 or more hours in one year with or without a legitimate excuse

Chronic Absenteeism:

- Absent 10 percent of the school year for any reason

Triggering Absences

	CONSECUTIVE HOURS	HOURS PER MONTH	HOURS PER YEAR
HABITUAL TRUANCY	30 <i>without</i> legitimate excuse	42 <i>without</i> legitimate excuse	72 <i>without</i> legitimate excuse
EXCESSIVE ABSENCES	--	38 <i>with or without</i> legitimate excuse	65 <i>with or without</i> legitimate excuse
CHRONIC ABSENTEEISM	--	--	10% or 92 <i>with or without</i> legitimate excuse

If a student arrives late to class throughout the school day, he/she is ***tardy to class***. The student should report to class and explain to the teacher the problem that exists and the teacher will decide whether your tardiness is to be excused or unexcused. In most cases, only written excuses from a teacher or principal will be accepted for an excused tardy. Please note the teacher initiates and terminates each class. Excessive tardiness to class will result in disciplinary action by the classroom teacher. This will be tracked on a quarterly basis.

If a student becomes ill throughout the day, they should gain permission from their teacher to report to the office and school nurse. Students will be evaluated and either returned to class or a parent will be notified. At no time should a student contact their parent directly using a personal device. Students who are required to leave school will be marked absent for the remainder of the school day. Students who have left school due to illness may not return to school. ***Before a student leaves school property, the student must sign out at the office.***

Participation in After-School Activities

Students who arrive after 10:00 a.m. will not be able to participate in any extracurricular activities and events on that day. Exceptions due to a previously scheduled doctor's appointment, court appearance, etc, must be approved **in advance** by the principal or athletic director.

Students who have left school early due to illness may not return to participate in after-school activities.

School Closing

All school closings (due to bad weather or other emergencies) will be announced on local radio and TV stations, or the Cardinal Schools "Snow Line" (632-0261, option 9). Cardinal Local Schools has the Alert Now phone system. In the event of an emergency, cancellation of school, or the need to relay information, the Superintendent will send out an Alert Now message that will call your cell phone or home phone. Please check with the school secretary to make sure your phone numbers are up to date.

Make-up Work and Homework Requests (Board Policy #2330):

It is the responsibility of each student who is absent to immediately upon return to school make arrangements with his/her teacher(s) to make up work missed. In order for a student with an **excused absence** to earn credit for the work missed, they must complete the work in the specified time frame. Students have the same number of days to make up work as they have been absent from school (i.e., if a student is absent three (3) school days, he/she has three (3) school days after his return to make up work). Announced or unannounced quizzes, tests, assignments, etc. may be required to be taken or submitted immediately upon the student's return to school.

When a student has an **unexcused absence**, he/she is required to complete all of the missed class work or assessments. Suspensions are considered unexcused absences.

Homework assignments may be requested by parents from the school counselor on the third day a student is out of school. Parents must call the school counselor office before 9:00 a.m. in order to receive the assignments that afternoon. Homework assignments may be picked up between 2:30 p.m. and 3:15 p.m. It is suggested that students check Google classroom, e-mail their teachers using their school gmail accounts or contact other students in their classes and get daily assignments. It is already part of the middle school policy to give students one (1) day per excused absence to make up test and homework. One exception to this policy is when long term projects are due on the day the student is absent; that project is due the day the student returns.

Immunizations and Medications

A complete *Emergency Medical Authorization Form* must be on file with the school in order for a student to attend and participate in any activity on and off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities. The Emergency Medical Authorization form is provided at the time of enrollment, at the beginning of each school year, and is available online. Please contact the office at any time throughout the school year if changes occur.

IMMUNIZATION (BOARD POLICY #5320)

Students **must** be current with all immunizations required by law, including but not limited to poliomyelitis, measles, diphtheria, rubella, pertussis, tetanus, and mumps, or have an authorized exemption from State Immunization requirements. Kindergarten students must be immunized against Hepatitis B and chicken pox. For the safety of all students, the school principal may remove a student from school or establish a deadline for meeting State requirements if a student does not have the necessary immunizations or authorized exemption. In the event of an epidemic, the Superintendent may temporarily deny admission to a student otherwise exempted from an immunization requirement. Any questions about immunizations or exemptions should be directed to our school nurse.

MEDICATION ADMINISTRATION (BOARD POLICY #5330)

For purposes of this policy, "medication" shall include all medicines including those prescribed by a licensed health professional authorized to prescribe drugs and any non prescribed (over-the-counter) drugs, preparations, and/or remedies.

Students should report to the school nurse for all medications. Parents may administer medication or treatment. Additionally, students may administer medication or treatment to themselves, if authorized in writing by their parents and a licensed health professional authorized to prescribe drugs, but only in the presence of a designated school employee.

School personnel will administer medicine in accordance to these rules:

- A student MEDICAL AUTHORIZATION form must be completed by the parent/guardian and signed by a doctor.
- All medication must be kept in the office in the original pharmaceutical container. FOR THE SAFETY OF ALL CHILDREN, STUDENTS ARE NOT PERMITTED TO KEEP ASPIRIN OR OTHER MEDICATION IN LOCKERS, LUNCH BOXES, OR OTHER STORAGE AREAS.
- The school nurse will maintain a log noting date, time, and personnel administering medication for each child that receives medication during the school day.
- Any unused medication unclaimed by the parent/guardian will be destroyed by school personnel when a prescription is no longer to be administered or at the end of the school year.

No student is allowed to provide or sell any type of over-the-counter medication to another student. Violations of this rule will be considered violations of this policy.

Board Approved on 8.9.2017

Inhalers and Epipens

Students who may require administration of an emergency medication may have such medication in their possession upon written authorization of their parent/guardian or, such medication, upon may be stored in the principal's office and administered in accordance with this policy.

Students are permitted to carry and use, as necessary, an asthma inhaler, provided the student has prior written permission from his/her parent and physician and has submitted [Form 5330 F3](#) (Authorization for the Possession and Use of Asthma Inhalers/Other Emergency Medication(s)), to the principal and any school nurse assigned to the building.

Students are permitted to carry and use, as necessary, an epinephrine autoinjector to treat anaphylaxis, provided the student has prior written approval from his/her parent/guardian and physician and has submitted [Form 5330 F4](#) (Authorization for the Possession and Use of Epinephrine Autoinjector (epi-pen)) to the principal and any school nurse assigned to the building.

The parent/guardian or the student shall provide a back-up dose of the medication to the principal or school nurse. This permission shall extend to any activity, event, or program sponsored by the school or in which the school participates. In the event epinephrine is administered by the student or a school employee at school or at any of the covered events, a school employee shall immediately request assistance from an emergency medical service provider (911).

ACCIDENTS/ILLNESS (BOARD POLICY #5340-A)

Accidents requiring first aid will be documented by the supervising staff member and filed in the office. If the injury or illness is minor, the student will be treated and may return to class. Parents will be informed of all serious accidents, injuries or illness. If a student becomes ill and it is necessary for him/her to be sent home, the parent or guardian is expected to come to the school for the child. No student will be released from school without the proper parental permission if a parent or guardian is unable to pick up an injured or ill student.

Students with Disabilities and Homeless Students **(Board Policy #2460, #5111.01):**

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA, A.D.A. Section 504) and State law. Contact the Cardinal Schools Special Education Office to inquire about evaluation procedures,

programs, and services.

Children who meet the Federal definition of "homeless" will be provided a free appropriate public education in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless and will be assigned to the school serving those non-homeless students residing in the area in which the homeless child is actually living. The District shall establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

Protection and Privacy of Student Records (Board Policy #8330):

Each year the Superintendent shall provide public notice to students and their parents of the District's intent to make available, upon request, certain information known as "directory information." (Note: This section of the handbook serves as a notice to CMS students at the beginning of each school year when passed out or upon enrollment to CMS.) The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; or awards received. Directory information shall not be provided to any organization for profit-making purposes.

Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within thirty (30) days after receipt of the Superintendent's annual public notice.

Student Fees, Fines and Fundraising:

In accordance with State law, Cardinal Middle School charges specific fees for activities and materials used in the course of instruction. Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment. Fees may be waived in situations where there is financial hardship. Students can avoid late fines by promptly returning borrowed materials. Failure to pay fines, fees, or charges may result in the withholding of grades and credits.

Each student is assessed a fee for consumable materials and supplies payable by October 1 of each school

year. The 2017-2018 fee for students in grades 5-8 is \$60.00.

Students participating in school-sponsored groups and activities may solicit funds from other students, staff members, and members of the community in accordance with school guidelines. The following general rules apply to all fund-raisers:

- A. Students involved in the fund-raiser must not interfere with students participating in other activities when soliciting funds.
- B. Students may not participate in a fund-raising activity for a group in which they are not members without the approval of the students' counselor.
- C. Students may not participate in fund-raising activities off school property without proper supervision by approved staff or other adults.
- D. Students may not engage in house-to-house canvassing for any fundraising activity.
- E. Students may not participate in a fund-raising activity conducted by a parent group, booster club, or community organization on school property without the approval of the Principal.
- F. Students may not sell any item or service in school without the prior approval of the Principal. Violation of this policy may lead to disciplinary action.

Meal Service (Board Policy #8550, 8531):

Cardinal Schools participates in the National School Lunch Program and makes breakfast & lunch available to students. Students may also bring their own lunch to school to be eaten in the school's cafeteria. No student may leave school premises during the lunch period without specific written permission from the Principal.

Applications for the School's Free and Reduced-Priced Meal program are distributed to all students. If a student does not receive an application form and believes s/he is eligible, contact the Cardinal Middle School Office.

Lunch/Breakfast Prices for the 2017-2018 School Year

- ✓ Full priced student lunch -- \$2.80
- ✓ Reduced priced student lunch -- \$0.40
- ✓ Full priced student breakfast -- \$1.25
- ✓ Reduced priced student breakfast -- \$0.30
- ✓ Milk -- \$0.50

Policy for Charging Meals in the Cafeteria

1. If there is more than one week of meal charges made and not repaid, the student will be receiving a sandwich instead of the entrée on the menu until charges are repaid. Weekly meal charges are \$14.00 for full pay and \$2.00 for reduced pay.
2. If a student owes more than one week of meal charges, the parent/guardian will receive a balance notification and a letter stating the student will be receiving a lunch meat sandwich until the charges are paid.
3. Charging is a courtesy extended because we understand there are times money may be forgotten at home or lost, but it is not meant to be used as a credit account.

Please contact Food Services Director Janis Benton at any time about account balances or any other questions.

Also, the Infinite Campus Parent Portal allows parents to make online payments for food services. The "Payments" tab will provide an accounting and opportunity to place money in a student's account. This also allows payment of school fees.

Safety, Security and Visitors (Board Policy #9150):

The School complies with all safety laws and drills and will conduct fire, tornado and safety lockdown drills in accordance with State law. The alarm system sounds for a fire drill and the PA system serves for tornado and lockdown drill announcements. Teachers will provide specific instructions on how to proceed in the case of an emergency and will oversee the process to ensure it is safe, prompt, and orderly.

Visitors, particularly parents, are welcome at CMS. However, unexpected visits and mini-conferences disrupt the learning process of all students in a classroom. Please call the office to schedule a meeting with a teacher or team of teachers, counselor or principal to ensure that you have the time and attention you deserve and to be sure that all of the necessary people are available.

ALL VISITORS MUST REPORT TO THE SCHOOL OFFICE BEFORE PROCEEDING ANYWHERE IN THE BUILDING. A VISITOR IS CONSIDERED ANYONE OTHER THAN A CARDINAL SCHOOL EMPLOYEE OR A CURRENT STUDENT. THIS IS A SAFETY PRECAUTION; IN CASE OF EMERGENCY, THE OFFICE NEEDS TO KNOW ABOUT EVERY PERSON WHO IS PRESENT IN THE SCHOOL BUILDING.

Visitors are required to wear a building pass while they are in the building. Staff members are expected to question people in the building whom they do not recognize and who are not wearing a building pass, and to question people who are "hanging around" the building after hours. Any visitor found in the building without a

pass will be immediately reported/sent to the office

Portions of the building have surveillance cameras for the safety and security of our staff and students and may be accessed by administration to assist in the investigation of violations of the code of conduct. ***Be advised that the contents captured on cameras is not available to the public and could result in disciplinary action by the school or law enforcement.***

Use of Equipment and Outside Advertising:

Students must receive teacher permission before using any equipment or materials in the classroom and must also seek permission from the Principal prior to using any other school equipment or facility. Students are responsible for the proper use and protection of any equipment or facility they are permitted to use.

Students may not post announcements or advertisements for outside activities without receiving prior approval from the Principal.

Lost and Found:

The lost and found area is in the main office and at times throughout the year, the items are placed on the stage for students to view during lunch periods. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items will be given to charity on a quarterly basis.

Code of Conduct (Board Policy #5500, 5600):

To ensure an environment that is conducive to the education process, students are expected to behave appropriately.

Positive Behavior Interventions & Supports (PBIS)

One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments. Instead of using a piecemeal approach of individual behavioral management plans, a continuum of positive behavior support for all students within a school is implemented in areas including the classroom and non-classroom settings (such as hallways, buses, and restrooms). Positive

behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs. Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

CARDINAL LOCAL SCHOOL DISTRICT
COMPUTER NETWORK AND INTERNET ACCEPTABLE USE POLICY
(STUDENTS)

This document constitutes the School District's Computer Network and Internet Acceptable Use Policy ("Policy"), and applies to all persons who use or otherwise access the Network and/or Internet, whether with District or personal equipment or whether on-site or by wireless or other remote access ("Users").

1. Definitions. For purposes of this Policy:

- The term "Network" shall mean the District's group of computers and peripherals, whether interconnected via cable, wireless and/or any other means whatsoever, all other District software and hardware resources including all Web-based material and all Web hosting, all data, databases and storage media, all standalone, portable and/or borrowed devices, and all provided connectivity

between and among Users and from Users to the global Internet, including any and all Instructional Technology Centers or other third-parties providing connectivity and other services, and any and all identifiers, accounts, rights, permissions, and current or future hardware, software, or connectivity owned or managed by the District to which access is provided to Users.

The rules of appropriate use and conduct created by this Policy apply to all District-owned computers and devices, even when such computers or devices are not connected with the Network. Such rules of appropriate use and conduct also apply to the use of privately-owned computers and mobile devices which are connected to the Network, communicate with Network Users by means of other non-District networks, or which are used in any way which is illegal, violates the Student Code of Conduct, or may be reasonably anticipated by District administrators to disrupt or materially interfere with school activities.

- The term “Use” of the Network shall mean any and all actions of a User which create traffic on the Network, including traces or remnants of traffic that pass through District equipment, wiring, wireless networks, or storage devices regardless of any other factor such as passage of time, user deletion, transit of the Network without storage or origination and/or storage on personal equipment.

2. **Purpose and Use:** The School District is providing Users access to its Network to support and enhance the educational experience of students. Access to system computers and the Network is a privilege, not a right. The District reserves the right to withdraw access at any time for any lawful reason. The District reserves the right to determine what constitutes an improper use of system computers or the Network, and is not limited by the examples of misuse given in this Policy. Users may violate this Policy by evading or circumventing the provisions of the Policy, alone or with others. If Users have any doubt about their obligations under this Policy, including whether a certain activity is permitted, they must consult with their building administrator to be informed whether or not a use is appropriate.
3. **Users Bound by Policy in Accepting Access:** The User consents to the terms of this Policy whenever he or she accesses the Network. Users of the Network are bound to the terms of this Policy regardless of whether they received and/or signed a copy of this Policy.
4. **Personal Responsibility:** Users are responsible for their behavior on the Network just as they are in a classroom, school hallway, or other School District property. Each User is responsible for reading and abiding by this Policy and any and all future amendments, which will be made readily available in both electronic and printed form. Anonymous use is not permitted and access (including passwords) may not be shared or transferred. If a User suspects that a password is not secure, he or she must inform the building administrator immediately. Any improper use of your account, even if you are not the User, is your responsibility.

effect of harming another person or another person's property. This includes, but is not limited to, the transmission of sexually explicit images or messages which would constitute bullying, sexual harassment, or a violation of the Student Code of Conduct.

6. **Violating Policy with Personal Equipment:** The use of personal equipment and/or personal Internet access to violate this Policy or to assist another to violate the Policy is prohibited. Exceeding permission (such as abusing access to unfiltered Internet connectivity) is a violation of this Policy. Using private equipment to divert student time and/or attention from scheduled educational, co-curricular, or extracurricular activities, or to divert paid work time from its proper purpose, is always strictly prohibited. Personal equipment used to violate this Policy on school property is subject to search and seizure, reasonably related to the violation, for a period of up to [thirty (30)] days, unless the personal equipment has been provided to law enforcement officials.
7. **Discipline for Violation of Policy:** Violations of each of the provisions of this Policy are considered violations of the Student Code of Conduct, and each violation is a separate infraction. Violations may result in disciplinary action for students up to and including suspension or expulsion and/or referral to law enforcement. The District reserves the right to seek reimbursement of expenses and/or damages arising from violations of this Policy.
