Dear Families and Caregivers:

In an effort to ensure the safety and security of our students and staff, the Cardinal Local School District will be participating in required State of Ohio safety drills beginning the week of October 16, 2017, as indicated below:

Tuesday, October 17, 2017:

- 9:00 am - District Lockdown @ CHS
- 9:30 am - District Lockdown @ CMS
- 10:00 am - District Lockdown @ JES
- 1:45 pm - Building Fire Drill

Throughout the school year all buildings will conduct monthly fire drills, and beginning in March, tornado drills will also be conducted monthly. The district will have two unannounced lockdowns during the school year in which law enforcement will be on site.

Please contact building principals if you have any questions. We encourage you to take time during this week to have a conversation with your family about the importance of conducting such drills.

As always, thank you for your support in making Cardinal Schools a great, and safe place to learn and grow.

Sincerely,

A handwritten signature in black ink that reads "Scott J. Hunt".
