RE: *Parent, Teacher Qualification - Every Student Succeeds Act (Public Law 114-95), Section 1112 (e)(1)(A)*

Sources: Office of Federal Programs

Dear Parent/Guardian,

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived
- Whether the teacher is teaching in the field of discipline of the certification of the teacher
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

FYI: All teachers and paraprofessionals in Jordak Elementary School, Cardinal Middle School, and Cardinal High School are Highly Qualified (HQT) for the 2017/2018 school year. All Cardinal Local School District teachers and paraprofessionals have met the state teaching requirements and paraprofessional requirements listed in the above bullet points
