Featuring Guest Speaker: Jesse Srgan, Owner & President of Raw Iron Choppers

Geauga Growth Partnership is hosting an exciting, high-energy Event, designed to connect Geauga students with Geauga businesses. Featuring guest speaker Mr. Jesse Srgan, owner and president of Raw Iron Choppers, who has made a career and built a business around what he loves.

Not yet 30 years old, this Geauga native has a thriving business building custom motorcycles, while working as a welding instructor for Lakeland Community College. He knew by the time he was 13 that he loved welding and building bikes, and with his father's encouragement and support, built his skills sets around these passions. He developed his own shop in Newbury Township. Jesse was the 2014 winner of Discovery Channel's #Bikerlive (Rust belt episode-ohio).
